**GOOD TIDINGS**  
FOUNDATION

Dear Good Tidings Supporters,  
We thank you for your continuous generosity and support towards our mission, and we hope you enjoy our annual Auction Catalogue and Yearbook.

This year, we entered into our 25th year as a children's charity where we completed our 200th project - an indoor court with the Warriors and Steph Curry for the West Contra Costa Salesian Boys & Girls Club in Richmond. We are proud of the partnerships we have built and the impact that we have had on the marginalized youth across Northern California and beyond. To celebrate our milestone, we have created an updated Good Tidings brand and re-designed our website. We hope you take the time to check it out!

Since 1995, we have completed 204 projects, granted \$1.6 million in scholarships to high school seniors, and donated over 55,000 toys. Last year, we hosted our first Winter Wonderland. At our event, we saw the gratitude on the families' faces and the generosity that the kids displayed when they picked out toys not only for themselves but to gift to their siblings and friends. We heard at our 1st Annual Scholarship Summit that our scholarship gives the winners hope to break out of their family's poverty cycle by providing them the confidence to pursue their dreams.

This year, our outreach spread from Sacramento to Los Angeles, renovating and gifting new indoor courts, an art studio, a teen center, a Makerspace, and a sand volleyball court. Through all of our projects, our mission is to support the growth of the most deserving youth by creating environments for athletics, artistic activities, education, and wonder.

Next year, we will be celebrating our 25th Anniversary. Stay tuned for exciting announcements on how we will celebrate. Thank you for your ongoing support as we continue spreading the spirit of the holiday season to children with the most need all year long.

We wish you the happiest of holidays!

The Good Tidings Team

## AUCTION RULES

Browse the catalogue, find the items you would like to bid on, and note the item numbers.

Call Good Tidings Foundation at 1-800-824-7366 or email (stephanie@goodtidings.org) or (text to 415-385-3786) and give your name, phone number and item numbers of the merchandise for which you would like to bid. The Good Tidings Foundation will inform you of the current minimum bid and you can choose to be the next highest bidder. If our phone lines are busy, you will be placed into our voice message system. Leave your name, phone number and items you are interested in, and someone from the Foundation will return your call later in the day with the current minimum bids. Bid by email (stephanie@goodtidings.org): Include your name, full address, email, cell phone number and your desired item numbers along with your maximum bid amount for each item. We will bid the minimum increments for you until a winner is determined or we reach your maximum bid. You can always opt to secure any of our great items at the 'Buy it now' price. Although bidding must be done through our toll free number, email or text, our entire catalogue may be viewed at [www.goodtidings.org](http://www.goodtidings.org). Each item's current bid will be updated throughout the day. Anytime a higher bid is made on an item, the previous bidder will be called back [or if you are checking our website, you may call us] to be given the opportunity to bid again. This will be repeated until there is one final bid. Items with minimum bids under \$500 will have minimum bid increases of \$25. Items with minimum bids of \$500 to \$999 will have minimum

bid increases of \$50. Items with minimum bids of \$1,000 to \$9,999 will have minimum bid increases of \$100. Items with bids of \$10,000 or more will have minimum bid increases of \$500. You can become the instant winning bidder on any item by placing the 'Buy it now' bid. To provide you with an excellent incentive, many opening bids are at one-half the normal selling price.

The Auction will begin to the public on Monday, December 9, 2019 at 9:00 AM PST and end on Thursday, December 12, 2019 at noon PST. Anyone who is actively bidding at the time of auction close may continue past the noon deadline until there is a winner. There are no new bids accepted after the noon deadline. Active bidders must be available for 'bidding off' their items on Thursday, December 12th from noon to 4:00 PM PST. If we call a person during that time period and they do not answer, they will be considered uninterested in that item. All merchandise must be paid for by Wednesday, December 18, 2019. Payments may be made by cash, check, or credit card. Merchandise must be picked up at our office at 1469 Rollins Road in Burlingame, CA. If you are unable to pick up the items, we will ship them to you - normal shipping and handling rates will apply. Tax deductions, as stated by the IRS, can only be taken for payment made over the item's actual value. The Good Tidings Foundation is not responsible for outings or events canceled due to inclement weather or acts of God. The Good Tidings Foundation Auction Catalogue is often imitated but never duplicated.
