2021 AUCTION CATALOGUE

WELCOME MESSAGE:

Where many non-profits continued to struggle through the second year of a pandemic, at Good Tidings we saw even more opportunity. In 2021, we created projects from Harlem to Hawaii. The year kicked-off with a new LeRoy Neiman mural at our art studio at Union Settlement in Harlem, NY commemorating the 100th birthday of our dear friend. We followed that with a complete gym refurbishment at McClymonds High School in West Oakland home to many NBA & WNBA greats including Bill Russell. Next, it was off to Mesa, AZ to create a beautiful new art studio for Alice Cooper's newest teen center. Then the islands came calling, and we worked with our newest partner, Kimi Werner on another art studio at Waialua High & Middle School on Oahu's North Shore. We wrapped up the year, building a new baseball field with Brandon Crawford at Gilman Park in San Francisco's Bay View. Still ahead we look to award ten Community Service Scholarships next month, along with another GT Ventures grant and wrap up the year hosting 1,000 youngster for a shopping experience like no other in our Winter Wonderland.

We thank you in advance for your support through your bidding on our 27th Annual Auction Catalogue....Enjoy!
